Mississauga Stadium

Welcome to Stadium Programs - the GTA's best place to play this summer!

Razor Management's Stadium Programs team operates summer camps at Central Tech Stadium, Monarch Park Stadium, and Mississauga Stadium through July and August, including Nike Soccer Camp, Advanced Sport Camp, Football Camp, Multi-Sport Camp, and Urban Adventure Camp.

Who you are: A dependable, energetic, and enthusiastic camp counsellor with experience working with kids, within the field of sport and recreation, and who works best in a team environment. You've likely played, coached, refereed, or enjoyed sports in some capacity and want to pass on what you know to the next generation of young athletes. You love being outside, getting active, and creating a positive environment for everyone around you.

What you'll do:

- As a *lead counsellor* you'll be responsible for leading your team of counsellors, volunteers, and participants through a summer of fun activities, games, and challenges, while reporting directly to the camp supervisors. You will be responsible for ensuring discipline policies are implemented, documenting and reporting incidents, ensuring safety standards are maintained for your group, and communicating with parents when necessary.
- As an *assistant counsellor* you'll be responsible for facilitating age appropriate games, drills, activities and icebreakers with participants in your group while reporting to your lead counsellor. You will be responsible for knowing, understanding, and following all safety and facility policies while leading participants through a great summer of fun.

When you'll work: Monday-Friday from June 22nd-September 4th, from 8:30am-4:30pm (except holidays), for a minimum of 5 weeks (lead counsellors have scheduling priority)

What's in it for you?: \$14-16.00/hour wage, a great team environment, opportunities for further employment during the school year, and industry-leading training to help get your resume to the next level.
